ABOUT GMP FUNDRAISING

Georgia Music Partners (GMP) represents the 20,000 music professionals who want to grow the music industry in Georgia. Georgia's music history is rich and diverse and should be preserved and celebrated. Equally important is the need to nurture and cultivate growth for the future of our industry. Your donation allows us to advocate on behalf of the Georgia songwriters, musicians, sound engineers, composers and producers who enrich our lives. With your help we can lobby for change and pave the way to grow all music industry jobs and promote music in Georgia, thus increasing creative opportunities and driving revenue to the state. With your help we can give Georgia's music industry a voice.
